

Pipercross

Auswaschbare Hochleistungsluftfilter aus England.

Die Hochleistungsluftfilter der Firma Pipercross bieten Ihnen - im Gegensatz zu herkömmlichen Gewebefiltern - über die gesamte Lebensdauer des Filters eine hervorragende Motorleistung.

Dies wird ermöglicht durch mehrere Schichten von feinmaschigem Polyurethan-Schaum aus denen jeder einzelne Luftfilter hergestellt wird. Die Schaumfilter sind dadurch auswaschbar und der Hersteller gewährt eine lebenslange Garantie!

Pipercross arbeitet eng mit den führenden Motorradherstellern, Großhändlern und Rennteams in ganz Europa und Asien zusammen um sicherzustellen, dass die Luftfilter auf Leistung optimiert sind, egal ob auf der Rennstrecke oder auf der Straße.

Pipercross ist einer der führenden Hersteller von Rennsportluftfiltern und gleichzeitig Erstausrüster von Triumph Motorrädern und Formel 1 Fahrzeugen.

Die **Testergebnisse** sprechen für sich! Pipercross Filter zeigen einen deutlichen Anstieg an Leistung und Drehmoment über die komplette Produktpalette.
